M. & M. MANUFACTURING CO.

TRENTON, NEW JERSEY

## M. & M. MANUFACTURING COMPANY

**T**HIS CATALOG is compiled for our customers and also for our prospective customers as a means to help simplify the task of selecting Porcelain Fixtures. We are endeavoring to have you become more acquainted with our extensive stock.

Our Product is just what the name implies, a **GENUINE DURABLE, SHOCKPROOF** and **SANITARY** Lighting Fixture. The designs of our fixtures have been carefully compounded to harmonize with the modern trends of **ART**.

Our Products are made of highest grade vitrified china and porcelain from imported clay, and will not **CRACK, CHIP** or **CRAZE**. They give **EVERLASTING** and **SATISFACTORY** wear.

Made of Porcelain in white and all assorted colors.

Wired Complete for Installation. Individually cartoned (12) to Master Container.

# WISE TITE

## THE SAFE JOB WIRE CONNECTOR

MADE IN THREE SIZES

PATENT

PENDING

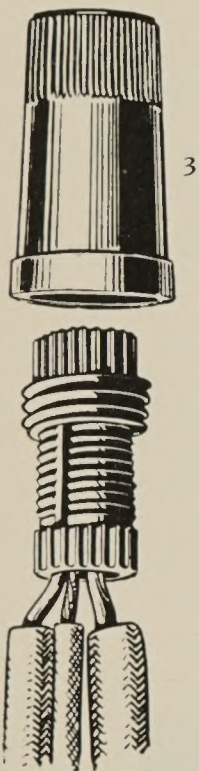

QUICK!

ECONOMICAL!

TIGHT!

INSULATED!

A tapered thread makes the connector WISE TITE and trouble-free. Simple, double-protection, economical. WISE TITE gives a permanent joint—no jarring can loosen it. The safety of your jobs are guaranteed. With just a simple twist of your pliers you have a safe joint—you save time and money; avoid dirt, smoke and damage; eliminate solder and tape and do better work.

### DIRECTIONS:

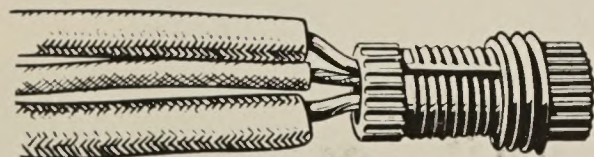

1. Twist wires together
2. Place wires and tighten nut
3. Screw on Bakelite and job is complete

For joining combinations of two No. 12 solid; two No. 12 solid and either one No. 18 or one No. 16 stranded; three No. 14 solid; three No. 14 solid and either one No. 18 or one No. 16 stranded Awg wires, Cat. No. 301.

Cat. No. 302 (larger size). For joining three No. 12 wires; four No. 12 wires; four No. 14 wires.

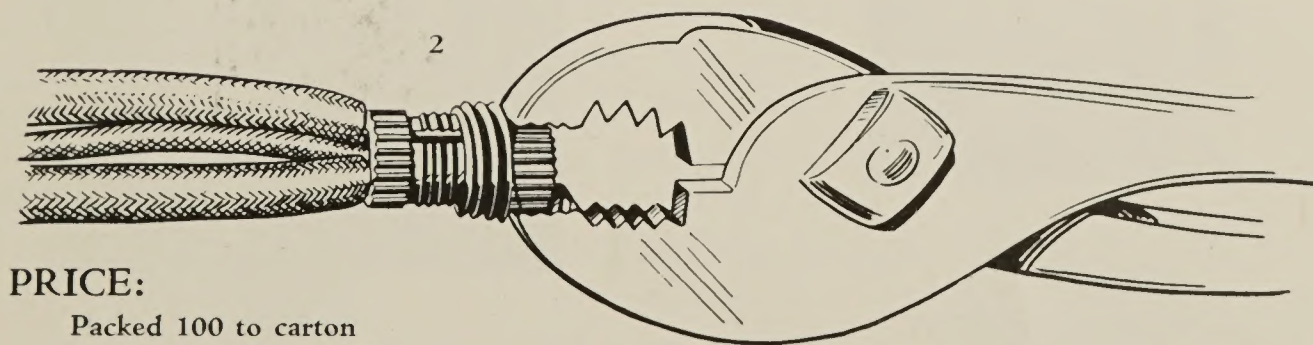

Cat. No. 300—For Fixture and Lamp work. For joining combinations one No. 14 with two No. 18 wires; one No. 16 with two No. 18 wires; one No. 16 with three No. 18; four or five No. 18 wires.
